

TRANSITION AGREEMENT

Conestoga College located in the heart of Canada's Technology Triangle, currently offers both a two-year **Woodworking Technician** program and a three-year **Woodworking Technology Co-op** program.

Both programs are strongly supported by industry and scholarships and bursaries are available.

The Woodworking Center at Conestoga College is a 50,000-sq. ft. facility which houses a modern shop including both traditional and high-tech equipment, classrooms, computer labs and drafting rooms.

For more information, visit our web site at: <http://www.conestogac.on.ca> or contact:
