Canwood furniture Inc., occupies 120,000 sq. ft. of manufacturing and warehousing on 6.1 acres of land in picturesque Penticton, B.C. Employing 130 people, we process several million board feet of Lodge pole Pine annually in our "state of the art" wood manufacturing facility, producing R.T.A. (ready To Assemble) furniture. Canwood purchases wood from mills in B.C. that use environmentally sound harvesting practices as laid out in the BC Forest Practices Code. Our final products are distributed around the world.

Please visit our web site at www.canwood.com to view our products and take a virtual tour of the Canwood facility.

Canwood Furniture Inc. is interested in receiving application from individuals who have achieved WoodLINKS Certification and are seeking employment in the wood manufacturing industry. For further information regarding employment opportunities, please contact Robert Bird at bob@canwood.com. Selected applicants will be contacted for personal interviews.
