

PREMIUM PELLETT LTD.

Premium Pellet Ltd. (est. 1998) is based in Vanderhoof, British Columbia, Canada. We manufacture high quality wood pellets from sawmill sawdust, planer shavings, and chips fines (white wood waste). Partners in Premium Pellet, L&M Lumber and Nechako Lumber Co Ltd. bring over 25 years of forest industry experience and supplies the white wood waste necessary for the production of our 60,000 tonnes/year of premium grade wood pellets. L&M Lumber and Nechako Lumber Co are known in the international forest industry for its consistently high quality wood products and its ability to balance economic growth with long-term forest stewardship. Locally owned and operated Premium Pellet has become a leader in wood fiber utilization and environmental stewardship

Premium Pellet Ltd. is interested in receiving applications from individuals who are members of Sai Kuz First Nation.
