Registration Fees:

All schools must register for participation in the WoodLINKS program on an annual basis. A registration fee of \$250.00 is applicable and is invoiced to the attention of the Principal / Administrator contact for payment. This fee ensures that schools are kept up to date with any program changes and provides them with access to available resources. Please forward the completed Registration Form to the Wood Manufacturing Council.

Certification:

Schools must also complete a Student Enrolment Form to ensure that students are eligible for WoodLINKS certification. The completed form should be sent to the Wood Manufacturing Council for administrative records. Certification examinations are provided to the school two weeks prior to the scheduled exam date. Please refer to the Certification Process outline for additional information.

I/we have read and understand the information provided herewith and it is our intention to participate in all aspects of the WoodLINKS program to the best of our ability. We request that our school be registered as a WoodLINKS site.
