

WoodLINKS

Wood Products Manufacturing Program

Student Enrolment Report

To ensure that your students are eligible for WoodLINKS certification, we ask that you submit information for all students enrolled in the WoodLINKS program in your school this school year. Certification exams and certificates are generated by names of students and by student identification numbers (SID) or equivalent. Please ensure that names and numbers are accurate and are legible (if completing by hand).

Please send or Email this report to WoodLINKS USA as soon as possible.
