

## WoodLINKS®

### Wood Products Manufacturing Program 2011-2012 Student Enrolment

To ensure that your students are eligible to write the WoodLINKS® certification test, you must submit information for each student enrolled in the WoodLINKS program within your school for 2011-2012. Certification exams and certificates are generated using the names of the students and their Student Identification Numbers (SID) or equivalent you submit. Please ensure that names and numbers are accurate and legible.
